Taking Control of Rotational Moulding

Permanent graphics for plastic, brilliant!

**MOLOK**

**RESINEX**

Rotomoulding

**ROTOMACHINERY™**  
ROTATIONAL MOULDING TECHNOLOGY  
**GROUP**  
POLYIMU BOMANIZ STP ROTOMACHINERY

**PERSICO**  
ROTOMOULDING DIVISION

**MAUS**  
ROTATIONAL MOULDS

**ICO Polymers**  
A DIVISION OF  A. Schulman

**NET**  
17025

**ULtra POLYMERS**  
a Spirit of Partnership

The conference will be held at Sokos Hotel Villa in Tampere Finland. We have pre-booked some rooms, please book your hotel room(s) at: [villa.tampere@sokoshotels.fi](mailto:villa.tampere@sokoshotels.fi) or tel. +358 20 1234 633

Prices are pr room: € 105,- / single room

€ 125,- / double room

The closest airport is Tampere airport, approx 20 km from city centre. Alternatively it is possible to rent a car at Helsinki airport. The drive is estimated to two hours. There are also good train connections from Helsinki to Tampere.

**Registration fee:**

€50,- for Nordic ARM members

€100,- for other ARMO members

€550,- for non-members

The payment includes lunch and dinner day 1 and breakfast and lunch day 2 (without drinks).

Please register for the conference before **11.01.2014**

**For registration send name of participants and information of ARMO membership to; [info@nordicarm.org](mailto:info@nordicarm.org)**

## Day 1

10.00 – 10.20: Welcome / Nordic ARM news  
Ronny Ervik, Nordic ARM

10.20 – 10.40: RotoCooler, improved cycle times  
Oliver Wandres, Maus GmbH

10.40 – 11.00: PP – Opportunities for new products  
Ronny Ervik, UltraPolymers

11.00 – 11.30: From sintering to nucleating – to achieve optimum cure  
Lei Wang, Matrix Polymers

11.30 – 12.30: Lunch  
Sponsored by NET, Persico and Rotomachinery Group

12.30 – 12.50: Certification of RM products  
Rune Fink, NET

12.50 – 13.30: Rotomolding grades for demanding applications  
Gregoire Helou, ICO Polymers

13.30 – 13.40: RotoPlas 2014  
Bill Spenceley, Flexahopper

13.40 – 15.00: Table top exhibition  
Available for Sponsors

15.00 Visit to Molok Ltd  
Sponsored by Molok, RotoLink and ICO

20.00 : Dinner at Sokos Hotel Tammer  
Sponsored Maus, EEC, 493K and UltraPolymers

Taking Control of Rotational Moulding

Day 2

09.00 – 09.20: Our Project

Jan Møllerhaug, PartnerPlast

09.20 – 09.40: COOLING – To boldly go where no man has gone before

Gareth McDowell, 493K

09.40 – 10.00: *Huge evolution in Rotomoulding Machines by Caccia Engineering*

Fabio Cerliani, Caccia Engineering

10.00 – 10.20: coffee

Sponsored by and Resinex, TempLogger and Fixopan

10.20 – 10.40: What can WE do to improve Rotational Moulding

Walter Bonazzi, Polivinil

10.40 – 11.00: Brilliant Permanent Graphics for Plastics  
PSI

11.00 – 11.20: It is all about Temperature

Gary Lategan, Templogger

11.20 -11.50: Rotomoulding R&D Activities at Queens University, Belfast

Mark McCourt, QUB

11.50: Closure

Ronny Ervik, Nordic ARM

12.00 – 13.00: Lunch

Sponsored by Matrix, Boca and PSI
